# About Kara Range

---

Experience the allure of our beloved Kara Range, a collection that has captured hearts and transformed bathrooms with its timeless appeal. Combining the functionality of dual-handle fixtures with a modern minimalist design philosophy, the Kara Range presents a captivating ensemble of products that exude charm and versatility.

Building upon this success, we proudly introduce the Kara Progressive series, featuring single-handle designs that embrace a heightened level of minimalism. With sleek contours and clean lines, these progressive models embody the essence of contemporary aesthetics, catering to the discerning tastes of the modern connoisseur.

In addition to our classic chrome, matte black, brushed nickel, and brushed gold color options, we now unveil the highly sought-after brushed bronze finish. This premium hue adds a touch of sophistication and elegance to any bathroom space, effortlessly elevating its ambiance.

Indulge in the seamless integration of form and function with the Kara Range. Immerse yourself in the world of contemporary design, where simplicity and innovation coexist harmoniously. Choose Nero Tapware's Kara Range for an elevated bathing experience that transcends trends and embraces timeless beauty.

4. The warranty period commences from date of purchase, or for new buildings from date of handover.

5. To make a warranty claim, the customer must either contact the seller from which the customer purchased the goods, or contact the Supplier directly by telephone on (03) 8786 3170, by email at warranty@nerotapware.com.au, by fax at (03) 8786 3175 or using the online claim form at <https://nero-warranty.tradieconnect.me/admincustom/api/warrantyform1/?service=2600&-serviceselect=2600&status=5>. The claimant must provide proof of purchase or equivalent documentation such as handover documentation for new homes.

6. The expense of claiming on the warranty will be borne by the customer claiming on the warranty.

7. This warranty covers the repair or, at Supplier's option, replacement of any goods which are defective through faulty manufacture or materials, free of charge and labour. The Supplier reserves the right to alter, or amend this warranty offer in writing at any time. The Supplier reserves the right to provide minor components (eg. Handles, aerators, buttons, dress rings, spindle/cartridges and seals) as 'Parts Only' to the customer. This warranty does not cover any claims for labour, additional products or parts associated with allegedly faulty goods for work not approved in

advance in writing by the Supplier.

8. For installed goods, the Supplier requires adequate access to assess the goods, fittings and fixtures to assess any warranty claim, and to undertake any warranty repairs. The Supplier will not be responsible for any consequential damage or costs where adequate access to goods, fittings or fixtures is not provided.

9. For discontinued or unavailable goods, the Supplier may replace the goods with equivalent current or available goods, using best endeavours to match the appearance and specifications of the original goods.

10. Supplier's obligations under warranty are limited to the repair or, at Supplier's option, replacement of any products of any products which are defective through faulty workmanship or materials. To the extent permitted by law, Supplier will not be liable for any loss to furniture, floor coverings, walls, fixtures or any consequential loss of any kind caused by any defect in the product components.

11. This warranty does not cover defects caused by or arising from any of the following:

11.1. goods installed by a person other than a licenced plumber. This does not apply to bathroom accessories such as towel rails, shelves, etc;

11.2. goods not installed to relevant national standards or state regulations;

11.3. tapware exposed to water pressures and/or temperatures that exceed stated limitations as per the standard installation instructions. Note: AS/NZS 3500.1:2003 specifies 500kPA maximum water supply pressure at any outlet within a building for new installations;

11.4. fitting of other devices to the outlet of tapware (eg water filters);

11.5. fitting of in tap body or end of line water flow regulating devices that have not been approved by Supplier;

11.6. products used for incorrect applications, non-potable water, etc;

11.7. damage as a result of obstruction due to inadequate flushing of system before use;

11.8. service, repairs or other non-standard replacement parts previously undertaken without Supplier's prior written approval;

11.9. damage to finishes by adhesives, sealant, etc;

11.10. damage to finishes which arise from installation or post-installation use;

11.11. failure to observe manufacturer's care and cleaning instructions;

11.12. improper or abusive use of product and/or damage resulting from misuse, accident or neglect.

12. Should any warranty claim be made and service attended to by the Supplier or its authorised service agent, and the fault is due to a cause expressly excluded from this warranty above, the Supplier reserves the right to charge a service fee for attending and/or any work carried out.

13. This warranty is in addition to customer's rights under the Australian Consumer Law.

14. Our goods and services come with guarantees that cannot be excluded under the Australian Consumer Law. For major failures with the service, you are entitled:

14.1. to cancel your service contract with us; and

14.2. to refund for the unused portion, or to compensation for its reduced value. You are also entitled to choose a refund or replacement for major failures with goods. If a failure with the goods or a service does not amount to a major failure, you are entitled to have the failure rectified in a reasonable time. If this is not done you are entitled to a refund for the goods and to cancel the contract for the service and obtain a refund of any unused portion. You are also entitled to be compensated for any other reasonably foreseeable loss or damage from a failure in the goods or service.

## Tapware And Accessories Care And Cleaning Instructions

Under no circumstances should you install tapware using acetone silicones.

1. Never use harsh detergents or abrasive cleaners, as these will scratch the surface.

2. To clean, use a soft cloth with warm soapy water to maintain the finish in perfect condition for a lifetime of use.

3. Use of wax based furniture cream should be avoided as this can result in a build-up of deposits, which could detract from the appearance.

4. Gold and rose gold plated products should always be cleaned with care using a soft dry cloth or a soft cloth with warm soapy water.

5. Individual products may be subject to additional or specific care and cleaning instructions. Please refer to documentation accompanying those products. Version Number: NWP2024.1
